

Vita-Hair Euca Scalp Therapy

FORMULATED FOR ALL HAIR TYPES

USES:

Mainly for extreme hair loss, extreme itchininess, dryness, and problem scalp...

Use weekly, daily, or on demand to repair scalp experiencing abnormal hair loss, extreme itching, thinning, which results in severe hair loss.

Or once per month deep Scalp treatment for healthy scalp. This will prevent, and deter against damage to healthy hair and scalp.

SEVERELY DAMAGED SCALP

Use our EUCA Scalp therapy at nights, after shampoo, or on demand, to stop extremely itchy and dry scalp that suffers from thinning and hair loss.

It stops the itching, and soothes the scalp, while the herbs stimulate, and penetrate the scalp and follicle with nutrients that strengthen them, and help the scalp and hair follicles to re-grow loss hair. Use as needed.

DRY, SEVERELY ITCHY SCALP

Part hair, and spray on affected areas of scalp, (you might feel a slight tingling on scalp as the natural ingredients go to work).

Next, massage the desired amount of Vita-Hair Oil or Vita-Hair Oil LITE on the same areas of the scalp that were sprayed.

Allow to settle on scalp for a few minutes, then blow dry or style as usual.
