2. Moisturizes hair and scalp.
3. Conditions hair and scalp.
4. Brings natural sheen to the hair.
5. De-frizzes hair.
6. Mends brittle and damaged hair.
7. Protects hair with daily use.
8. Superb flat iron oil.
9. Protects hair and scalp during relaxer processing.

FORMULATED FOR HAIR THAT HAS BEEN

CHEMICALLY TREATED AND/OR RELAXED

Allow Vita-Hair Oil to settle into hair and scalp for a few minutes then style as usual.

Vita-Hair Oil- Instructions for relaxed hair/color treated hair

AFTER SHAMPOO, with hair still wet make a "quarter-sized" circle in the palm of your hand, and spread oil onto your hair before blow drying.

If needed, (after blowing) make "dime-sized" circles on the tip of your index finger, rub thumb and index fingers together to spread the oil, and apply Vita-Hair Oil to each portion of hair as you style with your FLAT iron.

Dry/Brittle Hair - Daily hair maintenance

Observe the level of dullness of your hair, and then decide whether or not you need to use more of the

Vita-Hair Oil. If needed, follow the "dime-sized" oil application instructions given above, then apply to each portion of hair and style as usual.

USE Vita-Hair Oil As a Superb Flat Iron oil

Use daily as a flat iron Oil. Set your Flat Iron at medium heat.

Vita-Hair Oil Hair Maintenance

Use once per week, or as needed. Apply Vita-Hair Oil to your scalp and hair.

Vita-Hair Oil is a natural serum that brings natural sheen to dry, frizzy hair. Use it once or twice per week on hair and scalp, then style as usual with a flat iron, or your preferred method of styling. Allow Vita-Hair Oil to settle into hair for a few minutes then style and go.
